

## GTAP Consortium Agency Report Template

GTAP Advisory Board Representatives, your annual agency report of GTAP usage at your organization should contain, but not be limited to the types of items listed below. Please include details for activities undertaken since the previous year's advisory board meeting in June. When your report is complete, please email it to Ginger Batta ([gbatta@purdue.edu](mailto:gbatta@purdue.edu)).

### 1. GTAP Model and Data Base Usage

This section should include a brief summary of how and for what your organization has used the GTAP Model(s) and/or Data Base(s), as well as how this usage has furthered your organization's mission and purpose.

- **DIT uses the GTAP model for FTA assessments. It provided policy makers with quantitative analyses.**
- **More recently, we have been using GTAP extensions, GTAP-E and GTAP RD to assess sustainability policies questions such as the impact of CBAMs as well as the impact of a fragmented world where polarization is increasing.**

### 2. Publications

This section should include a list of your organization's publications (of any type) that utilized the GTAP Model(s) and/or Data Base(s).

- **The UK Government has published assessment of these FTAs which used, in part, GTAP:**

Jan 2022 UK-India FTA Scoping Assessment <https://www.gov.uk/government/publications/uk-approach-to-negotiating-a-free-trade-agreement-with-india>

Feb 2022 UK-New Zealand Impact Assessment <https://www.gov.uk/government/publications/uk-new-zealand-fta-impact-assessment>

June 2022 UK-GCC FTA Scoping Assessment <https://www.gov.uk/government/publications/uk-approach-to-negotiating-a-free-trade-agreement-with-the-gulf-cooperation-council-gcc>

### 3. Presentations

This section should include a list of your organization's presentations (of any type) that utilized the GTAP Model(s) and/or Data Base(s).

- **In the context of the OECD Member Economists' Conference on Supply Chain Interdependencies, March 2023, quantitative analysis was undertaken to explore the short- and medium-term energy security landscape in the wake of the cut-off of Russian fuel exports.**

#### **4. Special Reports**

This section should include a list of any special reports prepared at your organization that utilized the GTAP Model(s) and/or Data Base(s).

#### **5. Projects**

This section should include a list and summary of all projects undertaken at your organization that utilized the GTAP Model(s) and/or Data Base(s).

- **Enhancing the GTAP-E dataset with a more granular energy, motor vehicles, and chemical sectors.**
- **Development of a UK Sub regional model.**
- **Updating the projections in GTAP-RD**
- **Development of a transport model to assess futures projects.**

#### **6. Other Activities**

This section should include any additional GTAP-related activities at your organization that do not fit into the above categories.
